PHARMACEUTICAL PRESS LAUNCHES ON-LINE SERVICE IN NORDIC COUNTRIES

October sees the launch of an official Web-server for the Nordic Countries by the Pharmaceutical Press, the imprint of the Royal Pharmaceutical Society of Great Britain, in co-operation with PriInfo, Nordic agent and supplier of information services in medicine, science and technology.

The following information services, based on established reference books, will be made available via the Internet from the Nordic Pharmaceutical Press PriInfo-server.

- *Herbal Medicines ONLINE* – Internet service with the complete information from Herbal Medicines 2nd edition with scientifically rigorous, impartial information on medicinal herbs. Launch-date: 29 October 2002
- *Stockley's Drug Interactions ONLINE* – Authoritative international source of drug interaction information. Launch-date: 27 November 2002
- *Pharmaceutical Excipients ONLINE* – Comprehensive international guide to the uses, properties and safety of pharmaceutical excipients. Launch-date: 15 November 2002.

/more follows

Simon Boisseau, Marketing Manager at the Pharmaceutical Press, said: "This service will offer users in the Nordic countries quick and easy access to important web-based reference with medical and pharmaceutical information."

For further information please contact Björn Thydén, Sales Contact for Pharmaceutical Press e-solutions in the Nordic Countries on +46-8-564 885 08 or by email on bjorn.thyden@prioinfo.se.
