Ref: Registration Exam Syllabus

16 October 2009

Dear Preregistration Trainee Pharmacist / Tutor

Re: An Adjustment to the current Registration Examination Syllabus

I am writing to you with reference to the above.

In the Registration Examination syllabus section 1 – Professional and Legal Practice, part II Legal aspects of providing a pharmaceutical service, under (b) the Conditions for operating a registered pharmacy, the term Personal Control should now read Responsible Pharmacist.

This is to bring it in line with the Responsible Pharmacist regulations which came into effect in October 2009.

We wish you a very successful preregistration training year.

Yours sincerely,
