REQUIREMENTS FOR REGISTRATION IN THE BAHAMAS

As far as the Society is aware a Pharmacy Qualification from a GB School of Pharmacy should be recognised by the Bahamas Pharmaceutical Association for the purpose of registration. For confirmation of this and further information you should contact the Bahamas Pharmaceutical Association directly at:

Bahamas Pharmaceutical Association
PO Box N3730
Nassau
Bahamas

Tel: 242 356 3114
Fax: 242 328 1163
Email : info@bahamaspharmacy.org
Web: www.bahamaspharmacy.org

Further to this, in order to work in the Bahamas a work permit will be required from the Immigration Department. Currently a permit to work is only granted when no Bahamian is available to fill the position
