REQUIREMENTS FOR REGISTRATION IN GUERNSEY

Guernsey does not have its own competent authority and as such requires all pharmacists to maintain registration with RPSGB in order to work.

Pharmacists who wish to work in Guernsey will be able to do so only after receiving a job offer complete with allocated housing. Any positions for a healthcare professionals are made available to local residents before being advertised in the UK mainland.

For further information on procedures and vacancies you should contact the Chief Pharmacist at:

States of Guernsey Board of Health
Department of Health
