REQUIREMENTS FOR REGISTRATION IN THE ISLE OF MAN

Pharmacists registered in Great Britain are eligible to practice on the Isle of Man. However, a pharmacist not born on the Island or who has not worked on the Island for a period of 10 Years, has to gain a 'work permit' before starting employment. The employer has to justify that they are not depriving the local population of employment; working without a work permit could lead to unlimited fines for the employee and employer.

For further information on pharmacy in the Isle of Man you should contact:

The Department of Health and Social Security
Markwell House
Market Street
Douglas
IM1 2RZ

Telephone: 01624 685028

Fax: 01624 685130
