Instructions for completing the appropriate declaration(s)

The appropriate declaration(s) on this form must be completed by the applicant in the presence of a solicitor, who should then complete the 'Declaration by solicitor' (above).

DECLARATION A - Inability to provide a birth certificate OR birth certificate not written in English

This declaration must be completed if you are unable to provide the RPSGB with a copy of your birth certificate or if your birth certificate is not written in English. It must state your full legal name and date and place of birth.

DECLARATION B - Using a name other than that on birth certificate

This declaration must be completed when you have changed your name to a different one from that on your birth certificate or the order in which your names appear on your birth certificate is different from that on your Application for Registration. Please note that the RPSGB requires you to be registered in your full name so for registration purposes you cannot drop a name which is present on your birth certificate UNLESS you complete this declaration.

DECLARATION C - If name on other documents differs from Application for Registration

All the names on your qualification certificate, passport or other documentation must be identical to the names on your Application for Registration and birth certificate. If they are not identical, you must complete this declaration.

PLEASE NOTE - You may need to complete more than one declaration. If you are in any doubt about which parts to complete, please contact the RPSGB for clarification.
