

### The Royal Pharmaceutical Society of Great Britain Contact tracker chart (2009)

Name	Constituency/Region	Party	Role/Interest	Subjects Discussed eg MSP attitude, interested in policy etc.	Contact
Shona Robison		SNP	Minister for Health and Sport		SNP Spring Conference 17 – 18 April
Dr Ian McKee	Lothians	SNP	Member of the Health & Sports Committee		Sent thank you email for Parliamentary briefing
Stewart Stevenson	Banff & Buchan	SNP			SNP Spring Conference 17 – 18 April
Jamie Hepburn	Central Scotland	SNP			SNP Spring Conference 17 – 18 April
Roseanna Cunningham	Perth	SNP			SNP Spring Conference 17 – 18 April
Kenny MacAskill	Edinburgh East & Musselburgh	SNP			SNP Spring Conference 17 – 18 April
John Swinney	North Tayside	SNP			SNP Spring Conference 17 – 18 April
Hugh O'Donnell MSP	Central Scotland	Scottish Liberal Democrats		Enthusiastic about idea of patient held records e.g. memory stick, smart card option and no issues with pharmacist and paramedic access to records. Bad experience when diabetic father died. Came back to have BP done with no caffeine. On Sunday morning came back for 2 <sup>nd</sup> BP check.	Scottish Liberal Dems Conference 13-15 March
Margaret Smith MSP	Edinburgh West	Scottish Liberal Democrats		Had BP done and general lifestyle discussion.	Scottish Lib Dems Conference 13-15 March
Jeremy Purvis MSP	Tweeddale, Ettrick & Lauderdale	Scottish Liberal Democrats		Suggested we think outside box and approach MSPs outside Health e.g. Justice and Finance to follow up on finance-long term savings.	Scottish Lib Dems Conference 13-15 March
Mike Pringle MSP	Edinburgh South	Scottish Liberal Democrats		BP taken	Scottish Lib Dems Conference 13-15 March
Willie Rennie MP	Dunfermline & West Fife	Scottish Liberal		Should engage someone	Scottish Lib Dems Conference

		Democrats		slightly outrageous to speak out and get the media interested to give us an opportunity to comment with our point of view. There was also discussion to be followed up on the drug costs for direct purchase which although a pricing issue – we should speak out on.	13-15 March
Ross Finnie MSP	West of Scotland	Scottish Liberal Democrats	Shadow Health Secretary		Attended MSP researchers briefing at Parliament on 18.03.09
Helen Eadie MSP	Dunfermline East	Labour			Researcher attended MSP researchers briefing at Parliament on 18.03.09  Jointly sponsoring tour of Parliament for Council members on 31.03.09
Jim Murphy MSP	East Renfrewshire	Labour		Discussed additional services pharmacists will be able to offer as a result of CMS – public health	Scottish Labour Conference 6-8 March 2009  Alpana Mair, SPB
Frank McAveety MSP	Glasgow Shettleston	Labour		As above but more information on CMS and access to patient data. Also lifestyle advice-public health services	Scottish Labour Conference 6-8 March  Alpana Mair, SPB
Rhoda Grant MSP	Highlands & Islands	Labour		Discussed that dispensing doctors and value of pharmacy in an area, eMAS and new public health services in new contract.	Scottish Labour Conference 6-8 March
Dr Richard Simpson MSP	Mid Scotland & Fife	Labour		Spoke with him at NEDA AGM about pharmacist supplementary prescribing and their role in chronic medication services and access to patient data- he was for pharmacists having access to clinical data to allow for proper medication review and monitoring. He was very supportive about the clinic I have started working at as a pharmacist supplementary prescriber	Scottish Labour Conference 6-8 March  Researcher attended MSP researchers briefing at Parliament on 18.03.09  Parliamentary assistant, Janis McCulloch, attended MSP researchers briefing at Parliament on 18.03.09

				in drug misuse, and asked to keep in touch and keep him informed. He said he felt that as pharmacists we were a much underused resource and was keen to do something about this.	
Mark Simmonds MP	Boston & Skegness	Conservative	Unsupportive	Does not believe that pharmacists can deliver the extra clinical services.	Aileen Bryson, Charles Willis (Head of PA) and David Pruce showed him around
<b>Other</b>
